NOVA EMR INTEGRATION

NOVA

## POWERED BY CLOVERLEAF

You Asked, We Listened

NOVA is proud to announce we've partnered with **Cloverleaf** to streamline EMR integration.

FEATURES & BENEFITS

- **Pre-built connections** between our data model and Cloverleaf
- **Integrated to fit to your existing workflow**, regardless of EMR
- Faster patient enrollment
- **Optimize** staff and asset utilization
- **Bi-directional** – post-clinical documentation back to EMR
- Spend more time **focusing on patient outcomes**

- **Integrated 360° view** into patient health and safety status
- Trusted: **Cloverleaf is the #1 most deployed integration engine in healthcare**
- **Ranked #1** by Black Book for **clinical interoperability**
- **HIPAA compliant**
- **Don't bog down your IT** Rapid deployment by professional service experts

HOW IT WORKS

Cerner · Epic · NEXTGEN HEALTHCARE · practice fusion · eClinicalWorks · Greenway Health · Allscripts · ChartLogic · advancedmd · McKESSON · MEDITECH · GE Healthcare
